COMMONWEALTH OF VIRGINIA
STATE CORPORATION COMMISSION

AT RICHMOND, FEBRUARY 20, 2003

APPLICATION OF

ENERGY CONSULTANTS, INC.

CASE NO. PUE-2001-00581

For a permanent license
to conduct business as an
electric aggregator

DISMISSAL ORDER

On November 30, 2001, Energy Consultants, Inc. a Virginia corporation ("Energy Consultants" or the "Company"), was issued a license, License No. A-9, by the State Corporation Commission ("Commission") to provide competitive electric aggregation services to residential and commercial retail customers throughout the Commonwealth of Virginia as the Commonwealth opens up to retail access and customer choice.

On February 3, 2003, Energy Consultants filed with the Commission articles of termination of corporate existence. The Company's corporate existence was terminated on February 3, 2003, pursuant to a certificate of termination issued by the Commission on that date.

NOW UPON CONSIDERATION of the termination of Energy Consultants as a corporation in Virginia and having been advised by its Staff, the Commission is of the opinion and finds that

the Company's current license, License No. A-9, is revoked. As a result, Energy Consultants is no longer authorized to act as a competitive service provider in Virginia.

Accordingly, IT IS ORDERED THAT:

(1) Energy Consultants' license, License No. A-9, is hereby revoked without prejudice to the Company should it reapply to the Commission for a new license as a CSP.

(2) This case is hereby dismissed.
